

LEEDY MEN LOST

SHAWNEE COUNTY POPS ELECT A
SIMPLE DELEGATION.

BREIDENTHAL WAS CHAIRMAN

IT SHOWS THAT HE WILL TRAIN
WITH ANTI-LEEDYITES.

Ten of the Governor's Supporters
Walked Out of the Convention
When Leedy Was Told
Down-Railroad Bill
Veto Denounced.

Topeka, Kas., April 30.—(Special.) The
Populists of Shawnee county met in con-
vention to-day, adopted resolutions against
the renomination of Governor Leedy, de-
nounced his veto of the railroad bill, and
winter and concluded by electing twenty
delegates to the state convention for W. H.
Semple for governor.

John W. Breidenthal was chairman of
the convention and was made chairman
of the state delegation.

Delegates were also selected to the Popu-
list congressional convention of the First
district.

The convention was in session from 11
a. m. until 8:30 p. m. and was stormy
throughout. The anti-Leedyites had their
own way by an overwhelming majority,
and while the administration delegates
made considerable noise they accom-
plished nothing. Police Commissioner
Billard started the fight the first thing
by proposing the name of Dan Nelwander,
a farmer, for temporary chairman, in op-
position to Breidenthal. Nelwander de-
clared that he was not a delegate. Billard
tried to find someone else who wanted to
go upon the block, but he failed, and Brei-
denthall was elected by acclamation. He
was also made permanent chairman later.

In order to find out where they
were at, L. T. Yount, Leedy's election
commissioner of Topeka, asked that the
roll of delegates be called.

In the list there were six jointists, three
of whom were in jail. They were ad-
ministration delegates.

The administration fellows discovered
early in the game that they had no show.
They participated in the proceedings, how-
ever, until the resolution against Leedy's
renomination came up for discussion.

Things got so hot that Yount, with his
ten administration delegates, walked out
of the convention. This resolution was
adopted by a vote of 75 to 3.

The platform demands the repeal of the
metropolitan police law, favors government
ownership of railroads and coal mines, de-
nounces the veto of the railroad bill by the
governor, favors the abolishment of use-
less officers and boards, favors state fire
and life insurance, favors Cuban inde-
pendence and prosecution of the war, op-
poses the issuance of bonds by the govern-
ment, but, instead, favors the issue of full
legal tender greenbacks.

Shawnee county is the first in the state
to elect delegates to the Populist state con-
vention and the result will no doubt have
considerable weight in many other coun-
ties. It shows that there is widespread
disaffection against Leedy's policy of
running things. Breidenthal's name at
the head of the delegation shows that he
is against Leedy. He may not take an ac-
tive part in working up anti-Leedy senti-
ment throughout the state, but he will lend
his moral support. The other state officers
are now expected to carry their counties
against Leedy.

"Bob" Semple, whom the Shawnee coun-
ty delegates will support for governor,
is a deputy in the state legislature. He is
a shrewd politician, and knows more
Populists in the state than any other man,
with the possible exception of Breidenthal.
He was secretary of the Pop state commit-
tee for several years.

JUDGE HOLT MAKES A KICK.
Accuses the Legislature of Trying to
Evade Payment of an Hon-
est Debt.

Topeka, Kas., April 30.—(Special.) Judge
W. G. Holt, of the Wyandotte county com-
mon pleas court, came up to-day to see
about his salary. The Pop legislature last
winter refused to appropriate the amount
allowed him by law. He is entitled to
\$2,500, but only \$1,500 was paid. The
judge has been drawing on a basis of
\$2,500 a year and now his appropriation
has expired. He was told to-day that he
could get no more money until August 1.
The judge paid his salary for the month
employed by the Pop legislature and
said that, in his case, it was simply a de-
liberate scheme to evade the payment of
an honest debt. He says the people's leg-
islature will make an appropriation to
cover the deficit. There are several other
officials in the same boat as the judge.

CONTINUANCE TO BE ASKED.
Mrs. Hillman Is Not Ready to Proceed
With the Sixth Trial of
Her Case.

Topeka, Kas., April 30.—(Special.) The
attorneys for Mrs. Sallie Hillman to-day
served notice on the attorneys for the in-
surance companies that when Judge Wil-
liams calls the case on for trial, a continu-
ance will be asked for the sixth time, next
week, an application would be made for a continu-
ance. They claim Mrs. Hillman is not
able, physically, to stand the case on for
trial at this time. The attorneys for the in-
surance companies, so Judge Barker says,
will insist on the case going to trial.

Many Delegates Already Chosen.
Topeka, Kas., April 30.—(Special.) Four-
teen counties have already elected dele-
gates to the Populist state convention. This
makes seventy-eight counties which have
held their conventions, with a total of 100
delegates. There remain only 21 more to
elect. Two counties, Butler and Green-
wood, and one delegate, from each, were
Chase, Decatur and Thomas the week fol-
lowing.

COMMON DISEASES.
Piles, Fistula and Inflammatory Con-
ditions of the Rectum.

The troubles so annoying and dangerous
to health are among the commonest with
which humanity is afflicted.

We are, therefore, pleased to announce
that modern research in medical science has
at last produced a certain cure for them
and as usual with all great and meritorious
inventions, is simple and the only wonder
is that such a remedy was not discovered
and used years before.

The remedy we refer to is known as the
Pyramid Pile Cure. It is not an ointment
nor a salve, liquid nor internal remedy, but
is applied directly to the seat of the disease
and produces a cure in a surprisingly short
space of time.

For itching piles a few applications pro-
duce a complete cure, while for bleeding,
protruding and all other forms of rectal dis-
eases its use will result in a permanent
cure even in cases where an operation has
failed.

The Pyramid Pile Cure is painless to use
and relieves all pain at once. All druggists
keep it or will get it for you. It is pre-
pared by the Pyramid Drug Co., of Mar-
shall, Mich., who will send you full par-
ticulars from every section of the country
or if your druggist has the remedy on
hand you will find the treatment on piles and
testimonials in each package of the rem-
edy.

A trial will convince you that the Pyra-
mid Pile Cure is a specific for every form of
rectal disease and it is guaranteed to con-
tain no mineral poisons nor injurious in-
gredients so often resorted to in treating
piles. Sold by druggists at 50 cents.

No More Argument.

In the Light of Existing Fact, Why
Argue?

The great Munyon system—the school
of medicine which is superseding all
others—has passed the stage where argu-

ment is necessary. To the whole coun-
try has come the satisfying demonstra-
tion of its worth and value, and in every
market, town and city it is to be found
those who have tested the Munyon
Remedies, and are ready to go on record
as witnesses for the truth.

Mr. H. P. Mitchell, 1432 Belmont
Street, St. Louis, says: Six years ago
the Munyon treatment cured me of a
severe rheumatic affliction, from which
I had suffered for ten years. At the
time I began with the remedial pills
so bad I could not get out of bed alone.
The effect of the little pills was so quick
and the cure of all my rheumatic pains
was so thorough that I also began a
course of Munyon's Catarrh Treatment
for many years. The distress from the con-
stant accumulation of mucus began to
disappear immediately after the first
treatment, and in a short time the
trace of the catarrh was gone. The cure
of both my rheumatism and catarrh has
been complete and so thorough that I
believe the Munyon Treatment is in-
fallible.

Munyon has a separate remedy for each
disease, and all druggists sell them. Most-
ly 25 cents a box. If in doubt, Professor
Munyon will send you a trial bottle of
L-500, 4000, 4000, Philadelphia, for free
testimonials.

TROOPS TO HOOF IT

KANSAS VOLUNTEERS WILL MARCH
TO FORT LEAVENWORTH.

IT IS CHEAPER THAN RIDING

MILITIA TO BE ALLOWED TO KEEP
ITS EQUIPMENT.

Order That Raised Such a Protest Has
Been Countermanded—Why Gov-
ernor Leedy Refused to
Recognize the Militia—
Notes and Gossip.

Topeka, Kas., April 30.—(Special.) The
Kansas volunteers will be given an early
lesson in marching the very day that they
are mustered into the United States serv-
ice. Governor Leedy says he will be able
to turn the troops over on May 10. A mus-
tering officer will be here, and as soon as
he completes his work and the troops are
placed on the army pay roll, they will be
ordered to hoof it to Fort Leavenworth,
the federal rendezvous. They will be in
command of a regular army officer, and
will be taught all kinds of movements in
marching during the trip. It will take two
or three days to reach the fort, and the
volunteers will be handled in the same
manner as if they were doing duty near the
scene of action. The railroads are endeavor-
ing to convince the government that the
troops should not be compelled to walk to
Leavenworth, but hauled over in chair
cars at 1 cent each per mile. But the
army department claims that it can move
the troops much cheaper on foot, and that
it will be good practice for them.

The Kansas war department has counter-
manded the order instructing the captains
of the various militia companies to forward
at once all of their clothing and other
equipment. It was this order that raised
such a howl from the militia. In explanation
of the promulgation of the order counter-
manding the original order, an attaché
of the department to-day said:

"The members of the militia in almost all
of the towns are volunteering in the army
and as they will come here to rendezvous
the department concluded to let them
wear their uniforms to camp. The cap-
tains have been instructed to bring along
all uniforms of guards who do not enlist.
The state uniforms will be exchanged for
federal army uniforms here in a short time,
and then will be returned to this depart-
ment for use in recruiting the militia
again."

Contracts were awarded to-day for sup-
plying the three Kansas regiments with
provisions while at Camp Leedy. The
Vulcan Packing Company, of Topeka, got
the contract to furnish the meat, and the
Green Grocery Company, of North To-
peka, secured the contract to supply the
groceries. The department has it figured
that it will be able to feed the volun-
teers for 15 cents per day each. This will
take about \$500 a day for provisions.

Dan Wagstaff, the well known Salina
free silver Republican, is here to-day in
the interests of Colonel Culp's candidacy
for a majority. He says that Culp would
be a better leader than any other man
of the Kansas year mentioned and that
if the president finds the fight between
Major Hudson and Colonel Hughes so fierce
that he cannot appoint either one, that
Culp's friends will support him. He says
that a free silver Republican of Kansas
will, no doubt, vote for congressmen
this year who will uphold the administra-
tion during the war, said he. "This is
the time when we must drop political
questions. We are all Americans and
must stand together in this war. After it
is over then we can take up the political
questions."

An authority on Kansas political affairs
says that the state volunteers will be made
up of about 200 Republicans and 1,000
Populists and Democrats. The great ma-
jority of the membership of the national
guards are Republicans, and the Popu-
lists are the field officers were Republicans. It
was for this reason that the governor dis-
organized the guards. He wanted to give
the field positions to his own party and
people. In some instances he has found
it necessary to give places to men in his
own party to please them against him.
The case of Hank Lindsay, who was ap-
pointed major, is the most striking in-
stance.

Fourth Assistant Postmaster General
Bristow is being besieged with applica-
tions for places in the army post office de-
partment from Kansas. In some way the
story has become generally circulated
throughout the state that the postoffice
department has instructed Bristow to take
charge of the postal facilities for the army
of invasion, hence the rush of applications
from Bristow's native state for positions.
These applicants are doomed to disappoint-
ment. Mr. C. Leland, who ought to know,
says that the war department will run the
army postoffices in Cuba.

Under a ruling of Attorney General
Boyle, Mennonites will not be exempt from
military service in this country in case
it is needed. There is a large Mennonite
settlement in Harvey county and ever
since the case of the Mennonites was
volunteers might be called for their
service and taking out non-resistance papers.
The law which authorizes this reads: "All
persons who shall on or before the first day of
